The States Quarter Program

Coming in 2005: **CALIFORNIA**

State Quarter Collections from Coins of America are a BETTER way to collect State Quarters.

Each State Quarter Collection has two State Quarters placed securely in an informative, colorful tri-fold display. It's a great way to collect a piece of our history and a great way to learn more about the quarter and the state.

There are many states to choose from. Collect them all!

THE CALIFORNIA STATE QUARTER IS COMING IN 2005. ASK US ABOUT IT.
